Contest Rules

Each day we will record which SEL class has the most participation. This will be calculated on percentage. Each day one "SEL" group will win a prize. At the end of second hour on Thursday we will look and see which group had the most participation and they will be the winners of a pizza party! The students who are not here for SEL are still assigned an SEL group so they will be counted as part of their group. Thanks everyone!
LETS HAVE SOME FUN!!!!
